

STORAGE / Swing

✚ Gain in comfort and functionality with **SWING**, a range of easy-to-assemble sliding door wardrobes.

✚ With its 2 widths (150 or 180cm) and sliding doors, Swing fits well in a bedroom or studio, providing fluid access to the contents without encroaching on the room. Swing is available in 2 door configurations: with 2 solid doors for a sober, uniform look, or with a solid door combined with an all-mirror door for an enlarging visual effect and ease of use.

✚ Inside, each wardrobe is cleverly arranged with one half comprising 4 shelves and the other half with a wardrobe with shelves. For more specific needs, Swing offers additional options: a three-drawer pedestal for small items or accessories, and a set of extra shelves to match the size of the wardrobe.

✚ Swing captivates with its clean design and two timeless finishes : **White**, which brings freshness to the room, or natural **Brooklyn Oak**, which creates a warmer, more authentic look.

The products are made in particule board, with a thickness of 15 and 18 mm

The drawers are fitted with a ball bearing runner system
